Talking to a stranger can be nerve-wracking, but it can also be fun to get to know somebody you don't know. If you're ready to make some new friends or just talk to people around you, start by choosing a good conversation opener and building your conversation from there. When possible, converse in various situations so that you can meet lots of people. Practice your skills and you'll be talking to new people in no time!

**Thursday's are Membership Drawing

The Eagles Fiscal year runs from June 1st through May 31st. Membership dues are due at the end of May and must be paid by June 30th starting in 2018. If you don't pay your dues you will lose the tracking for the number of years you have been a member.

During the last Eagles year June 2016 through December 2017 we have donated over \$9,000 dollars to local, state and national charities. Check the website for details. The majority of this money was donated to activities benefitting our local community. The fund raising is through the hard work of volunteers you see working behind the scenes. The efforts, parties, meals and events all raise funds for programs supported by the North Mason Eagles. Many new members join to give back to the community but fail to understand it's through the special events that we raise the funds. More can be done but we are limited by the number of people willing to be involved.
